Dear Prospect,

I would like to invite you to become an Annual Sponsor of Urban Land Institute (ULI) Toronto.

The mission of ULI is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide. ULI Toronto carries forth that mission by serving the Greater Toronto Region's public and private sectors with pragmatic land use expertise and education.

As a nonpartisan organization, ULI has long been recognized as one of the most respected and widely quoted sources of objective information on urban planning, growth and development.

Our members form a spectrum of land use and development disciplines, including developers, builders, investors, designers, public officials, planners, architects, real estate brokers, lawyers, engineers, lenders, academics and students.

The support of our Annual Sponsors not only enables ULI Toronto to carry out our mission to advance the responsible use of land, it is advancing urbanism across our growing global region.

I hope that you will join us as an Annual Sponsor for the coming year. Should you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

Richard Joy
