SAVE THE DATE: ULI MINNESOTA TO HOST THE 2019 YOUNG LEADERS EXCHANGE

Dates: August 1-3, 2019

This August, ULI Young Leaders from around the world are invited to convene in Minneapolis/St. Paul for presentations from public and private industry leaders, site tours, networking, and more!

Registration open June 1, 2019! *

The Twin Cities are known for being progressive and forward thinking. In a fast growing region, Minneapolis and Saint Paul have successfully balanced growth and maintained a high quality of living, without sacrificing affordability. Recently Minneapolis passed a new 2040 Comprehensive Plan that was heralded nationally as a model for new development and regional equity. Come explore the significant strides our region has made on establishing an ever expanding transit system and walkable neighborhoods, while making investments in social and environmental equity. Tour our abundance of beautiful parks and lakes, our renowned theater and music culture, and thriving food scene. Meet our public and private sector leaders in development, and our impressive local YLG members. **We hope to see you soon!**

*Exchange registration will be open to YLG Members from other District Councils, visiting ULI Minnesota. ULI Minnesota members will be invited to join for select events.
