Statement of the problem

Give a brief description of why a Technical Assistance Program (TAP) is needed. Discuss the nature of the assignment to be addressed and the key issue(s) to be considered by the ULI panel. Include a brief history of the site or study area, and note how it relates to current activities and future plans (public and private). Maps, statistics, planning and development goals, and other information may be attached if relevant.

Question/Issue(s) to be addressed by the ULI panel

List up to four key questions that you would like the panel to consider during this program.
