

## **Steve Boyack**

*CEO, CA Management Services*

Steve Boyack is the CEO of CA Management Services with responsibility to drive the performance and growth of the company's Student and Multifamily housing portfolios both domestically and internationally. Prior to joining CA Ventures, he was a Senior Managing Director at Greystar where he was responsible for overseeing real estate operations and leading the expansion of the company's footprint in key Midwest markets. In addition, he oversaw Greystar's national construction and maintenance operations. Steve joined Greystar in 2017 from the Laramar Group, where, as Chief Operating Officer, he was responsible for overseeing all facets of property operations for the company as well as participating in both the executive committee and investment committee. Steve has been active in the multifamily industry since 1988. Steve holds a Bachelor of Science degree in economics from the University of Iowa.
