ULI Arizona Trends Day is a one-day deep dive bringing together 25+ top industry experts to discuss the most current state and national real estate trends, with a focus on what to expect in the future, where the best opportunities can be found, and how these components affect both public and private sector partners. Trends Day is certainly the best “state of the state” conference with over 1,000 attendees. This year marks ULI Arizona’s 15th annual Trends Day.

Don’t miss Keynote Speaker Platon and the Economic Outlook with Ali Wolf. Platon is a communicator and storyteller. Shooting portraits for a range of international publications including Rolling Stone, The New York Times magazine, Vanity Fair, Esquire, GQ and The Sunday Times magazine, Platon developed a special relationship with TIME magazine, producing over 20 covers for them. He has been a keynote speaker on leadership at the World Economic Forum in Davos, Chanel, Nike, Yale University, Oxford University, and Wharton University. Ali Wolf shares insights on the current economic environment, including where the economy is headed, where to invest, trade issues, regulation, taxes, and the effect of government policy on the markets.
