CELEBRATING 20 YEARS IN
URBAN MARKETPLACE

Urban Marketplace is one of ULI Los Angeles' signature events focused on urban development and projects throughout Los Angeles County. Urban Marketplace convenes real estate industry leaders, elected officials, policymakers, developers, planners and deal makers who contribute to the vitality of our city fabric to "Make a Deal, Make a Difference". It is a half-day conference designed to promote real estate investment opportunities and development strategies for investment in L.A.'s lower income and high poverty neighborhoods. We hope you will support the future growth and development of the urban core over the next 20 years.
