

Blake Milburn

Director, Design & Construction

Marquee Development LLC

Blake Milburn is Marquee Development's Director of Design and Construction. Mr. Milburn is engaged in Marquee's developments from Visioning and Strategy, leading the project at Pre-Construction through Turnover and Operations. He is responsible for ensuring the design and execution of each development meets its programming, budget, and schedule objectives.

Prior to joining Marquee, Mr. Milburn was a project manager at CAA ICON, an owner's representative and strategic management consulting firm specializing in sports real estate developments. While at CAA ICON, Mr. Milburn worked for Marquee Development (then Hickory Street Capital) on its mixed-use development adjacent Wrigley Field, as well as the restoration of the 100 year old ballpark. Before CAA ICON, Mr. Milburn spent 10 years in the construction industry working for international construction manager, Lendlease, and Chicago based general contractor, Power Construction. He received his Bachelor's Degree in Construction Management from Purdue University.
