

Steven Burgos
Senior Project Architect | UrbanWorks

Steven A. Burgos has more than a decade's experience working with small and large design teams on a variety of project types, including senior living, hospitality, multi-use residential, student housing, retail, and higher education. An architect with a LEED WELL AP certification, Steven is focused on creating impactful designs that are sustainable, healthy, and geared toward the end user.

A Chicago native, Steven pursues sustainable issues and healthy living, enjoys cooking with his wife, gardening, and hiking with his family. Steven annually participates in the USGBC Green Apple Day of service where he shares his knowledge of biophilia and sustainability with elementary and high school students.

Burgos earned a Bachelor's degree in Architecture from the University of Illinois at Chicago, and a Masters of Architecture from Washington University in St. Louis.
