

Suzanne Serino

Vice Chair, Colliers International

Suzanne Serino is a Vice Chair for Colliers in Chicago and where she has specialized in industrial real estate for 24 years. She works closely with tenants, landlords, developers, and land sellers to facilitate leasing, construction, and sale of industrial facilities of all types. Suzanne has also developed an expertise in data center development parcels as demand for data centers has boomed in recent years. Most notably, Suzanne led the sale of the former Sears campus in Hoffman Estates to Compass Data Centers for \$194M in fall 2023.
