

Hymie Mishan
Principal | Vista Property

As co-founder of Vista Property, Hymie brings over 15 years of extensive underwriting and operations background that has contributed to Vista's success as an owner/developer. Hymie has had a multi-disciplinary career with an impressive pipeline of financings to over \$800M in real estate projects prior to Vista. He is an experienced developer with an attention to detail both in the properties themselves and financial analysis. He has spent his career in private real estate focusing on acquisitions and financings across the country. Vista is a developer and investor in multifamily, retail and office assets and developments in NYC, Chicago, Miami and North Carolina. Current Chicago projects include over \$1.1 BB in assets, development and land holdings.
