

**Mike Drew**

*Co-founding Principal* | Structured Development

As a founding principal of Structured Development, LLC, J. Michael Drew has been engaged in the real estate development and construction management business for nearly 40 years. Michael matriculated at the University of Illinois where he studied Business Administration and Architecture. Over 25 years as a general contractor, Michael has had extensive experience in all phases of the construction process, especially scheduling of labor forces and subcontractors and comparative purchasing of material and equipment. Notable projects completed include City Hall Lobby and Entrance Renovations, Marshall Field and State of Illinois Pedways, Clark Lake and Roosevelt Subway Stations, McCormick Place Expansion, and numerous utility tunnel installations. He was an active participant in the conversion and renovation of obsolete loft buildings to commercial and residential reuse throughout the City, including Riverworks on Goose Island, Lincoln Lofts in Lakeview, 1415 Dayton and 1333 Kingsbury in the Halsted Triangle. During his tenure as a principal of Structured Development, the firm completed over 2,000,000 square feet of product including Lincoln Park Center, Blackhawk on Halsted, Kingsbury Center, and Kendall College at Riverworks. Structured Development is the Managing Partner on the “nationally significant” New City mixed use project. Structured was awarded the Adaptive Reuse Project of 2008 by the Landmark Preservation Council for its historic conversion of the Chicago and Northwestern Powerhouse to office and retail.

Michael represented the Builders Association of Greater Chicago on the City’s Minority Relations Committee, served on the recent Land Use Task Force Committee, and is a long-term member of the International Council of Shopping Centers, Urban Land Institute, and Lambda Alpha International. He is a 20-year member of World Presidents Organization, and a past President of Olympia Fields Country Club. Michael has served on the Advisory Board for the Marshall Bennett Institute of Real Estate at Roosevelt University for over a decade.
