Amidst this landscape of opportunity, Waterfall Development, under the guidance of developer Craig International, is seizing upon the region's momentum by acquiring over 3,000 acres along the picturesque shores of Lake Texoma. This visionary project entails the creation of a thriving community, featuring 7,500 homes, an array of retail spaces, culinary delights, a marina, and the iconic Margaritaville resort.

Join us as Miles Prestomon, Chief Operating Officer of Craig International, unveils the intricate details of land acquisition, project financing, and the comprehensive development plans set to redefine the region's landscape for generations to come.

BIOS

Alexis Semach

Alexis Semach is the current Director of Client Services at Peinado Construction, a "Premier Design-Build General Contractor" firm that specializes in Industrial, Manufacturing, Distribution Centers, Medical and Data centers in Dallas, San Antonio and Houston. Alexis has over 15 years of industry experience, and received her BS in Civil Engineering and MS in Geotechnical Civil Engineering from Ohio State University.

Shannon Blake

Shannon Blake joined the Sherman Economic Development Corporation team as an Economic Development Specialist in August 2021 and was promoted to Vice President of Business Development in October 2023. Originally from Michigan, Shannon moved to Whitesboro, Texas in 2007, embracing the Texan lifestyle as quickly as she could. Before joining SEDCO, she worked in the Accounting Department of Equine Services Unlimited, LLC, and later served as a Deputy Clerk for Grayson County.

Shannon and her husband Eddie have two grown children, Ryan, and Michelle. She is actively engaged in her community, serving as a trustee for the Whitesboro School District, is a board member for the Texoma Family Shelter, and participates in various local organizations, including the First Baptist Church Children's and Women's Ministry, Whitesboro Riding Club, and Girl Scouts.

Toni Kaai

Tony has been in the economic development business for over 40 years. He attained "Certified Economic Developer" status in 1993. He spent 16 years in Oklahoma and the last 24 in Denison, TX. During his tenure in Oklahoma, he served as the President of the Oklahoma Economic Development Council. In 1994 he was recognized as the "Professional of the Year" by the OEDC.

In Texas he has served on Board of Directors of the Texas Economic Development Council. Denison Development Alliance was awarded "Community of the Year" in 2005 and 4 other TEDC. statewide awards over his tenure for outstanding programs. In 2017 Tony was recognized as one of the top 50 economic development professionals in the US. Tony has extensive experience in assisting/recruiting back office, manufacturing, retail, and entertainment businesses.
