IMPACT

PARTNERSHIPS

STARTING AT \$1000

As we aim to advance our mission to create and sustain thriving communities, our impact add-ons are vital for supplementing the time and energy needed to help support areas of growth within our district council. These add-ons, focusing on Community, Education, and DEI, will catalyze transformative change for the built environment in the Pacific Northwest.

- Support innovative & enriching educational opportunities and expand the reach of our knowledge sharing resources
- Amplify community voices by providing dynamic leadership opportunities, such as Urban Plan and student memberships
- Strengthen and support our initiatives and goals to implement diversity, equity, and inclusion in all that we do
