With a wide range of levels and customizable packages, sponsorship lets you align your dollars with what matters most to your business.

The TORONTO REGION is the fastest growing metropolitan area in North America with a population approaching 10 million. A multi-cultural mecca with 51% of the city born outside of Canada, Toronto is the most diverse city in the world and a North American food and cultural hotspot. Its economy is fueled by tech growth, finance, media & entertainment, tourism, and real estate development—boasting the highest construction crane count on the continent. A key feature to the metropolitan growth story has been urban and suburban intensification—enabled by over \$30B in active transit infrastructure investments.
