Accessibility Matters

Don't stay complacent. Stay compliant.

\$55 Billion annual purchasing power of Canadians with disabilities (Ontario Chamber of Commerce, 2017).

1.5M Canadians identify as having sight loss. (Canadian Surveys on Disabilities, 2017)

78% of Canadians are more likely to buy from businesses that hire PWDs over a company that doesn't. (OCC, 2017)

33% projected increase of people living with sight loss by 2050. (Cost of Vision Loss & Blindness in Canada Report, 2021)
