

CIBC SQUARE

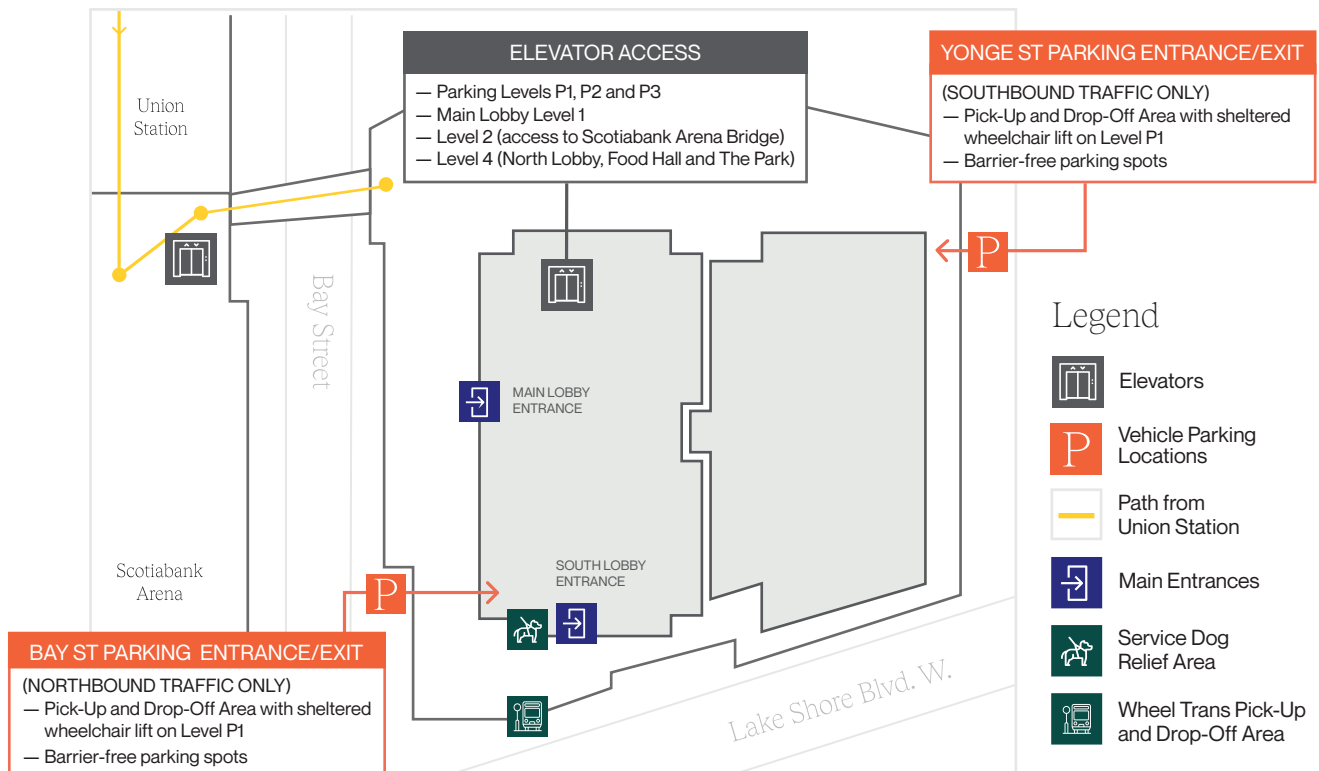

Accessibility Features

At CIBC SQUARE we've designed our public and common areas with accessibility for all in mind.

Accessibility features include:

- 950mm clear width doors equipped with wave to open sensors
- Ramps designed for a maximum slope of 1:12
- Universal and barrier-free washrooms on every floor
- Barrier-free parking spots and elevator access in underground parking
- Special accommodation for vans with wheelchair lifts in the sheltered P1 level drop-off area

Accessing CIBC SQUARE

CIBC SQUARE

Parking and Drop Off

Every level of our on-site parking facilities has accessible parking spots and easy ramp access to elevators.

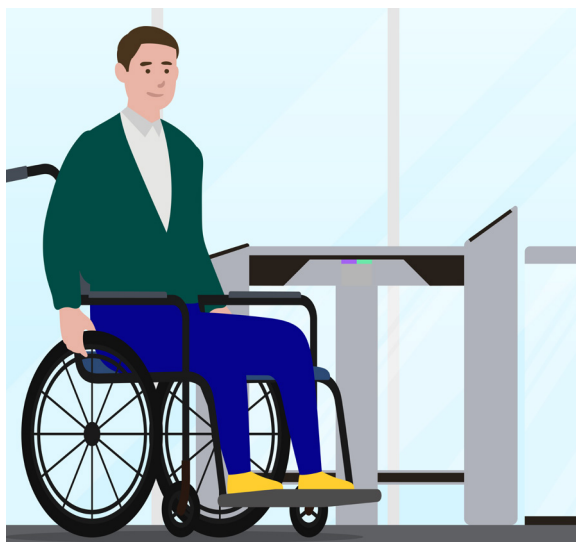

Barrier-free drop off is available for vans and smaller vehicles located on P1 through the Bay Street parking entrance.

Wheel-Trans busses will drop-off passengers directly outside the Lake Shore Boulevard building entrance.

Elevator Access

All elevator turnstile banks include one wider turnstile designed to accommodate all mobility devices. If you need any assistance getting around, members of our Guest Experience Team are here to help. Team members can be found in the main lobby and The Canopy at the Guest Experience Desk or by calling 647-905-5965.

Our elevator kiosk screens are equipped with voice activated speakers and braille on the touchpad to help you easily navigate the system and select your floor. Once selected, the closest elevator car to the kiosk will be called.

Universal Barrier-Free Washrooms

Located on every floor, and equipped with wave to open sensors, motion sensing fixtures and accessible sinks.

Adult Change Tables are available if needed. Please call 647-905-5966 and a member of our team will assist you right away.

Tenant Safety

Our alarm system includes strobe lighting that activates during a fire alarm or evacuation to ensure everyone is alerted. We've also designated safe mustering areas on every floor for those unable to evacuate using the stairwells.

Wheelchairs are available if needed. Please call 647-905-5966 and a member of our team will assist you right away.

Building Amenities

All building amenities offer barrier-free access including our fitness centre, The Current, which has been designed to AODA standards.

Service Animal Relief Area

We consider service animals to be our guests as well and should enjoy the full CIBC SQUARE experience too. We've created a secure relief area just for them, on the ground level outside of the Lake Shore Boulevard entrance.
