

JORDAN ISAC

Assistant to Chairman
OUE Limited

VP, HR and Business Development
Healthway Medical Corporation

Jordan is the Assistant to Chairman, OUE Limited. OUE Limited is one of the leading, integrated, real estate developers listed on the Mainboard of the Singapore Exchange. In OUE, Jordan undertakes various high-level projects across the Group's commercial, retail, hospitality, healthcare and residential businesses. Jordan also helps to manage the Stephen Riady Group of Foundations, a philanthropic platform set up by OUE Executive Chairman Dr Stephen Riady in collaboration with Credit Suisse Private Banking, to help underprivileged communities through education, empowerment and engagement.

Jordan Isac also serves as Vice President, Human Resource and Business Development at Healthway Medical Corporation Limited (HMC). HMC is Singapore's leading, private healthcare provider with a network of medical centers and clinics consisting of a comprehensive range of primary care and specialist disciplines. Jordan is responsible for the human resource, sales and marketing functions at HMC.

Prior to joining OUE, Jordan served in the Singapore Ministry of Foreign Affairs (MFA), where he was posted to the ASEAN and South Asia Directorates. Jordan graduated from the University of Oxford where he holds a masters degree in political science. He also holds a double Chemical Engineering and Economics degree from the University of Melbourne. Jordan attended the Future China Advanced Leaders Programme at Nanyang Technological University and the Global Business Leadership and International Relations Programme at Georgetown University. Jordan is active in community service and serves on the Joo Chiat Central Executive Committee and is a Founding Member of the Eurasian Association Youth Committee.
