

**Tang Wei Leng**

Managing Director and Head of Capital Markets Singapore  
Colliers International

Wei Leng Tang is Managing Director and Head of Capital Markets Singapore at Colliers International. Wei Leng leads a team of over 350, spearheading company and investment growth with a strong focus on client service through delivery of customised solutions to accelerate client success.

With over 27 years of real exceptional real estate investment expertise and extensive track records across Asia markets, Wei Leng is a strong originator of real estate investment in Singapore with principal, brokerage and advisory experiences.

Wei Leng excels in building deep client relationships and an extensive industry network with her strong collaborative culture and regional outlook. This enables her to fully connect Colliers to other businesses within the Asia Pacific and across the global platform, creating added value for clients who now demand highly effective solutions spanning from country to country.
