

WE'RE HIRING!

Architects At All Levels Of Experience

We are an award-winning, design-oriented architecture, interiors and planning firm that is seeking talented designers for extraordinary and challenging national commissions. We have several large multi-family, mixed-use, and retail projects in the design phase and are looking for designers who can work independently.

Entry Level Interior Designer

JP2 is a full-service architecture, planning, and interiors firm. We are seeking a creative, self-motivated, and resourceful Junior Interior Designer that has a combination of creative and technical knowledge. An ideal candidate will demonstrate a passion for the design process and a drive to grow as a professional. Our portfolio includes a broad range of hospitality, multi-family, retail, and corporate projects.

JP2 ARCHITECTS

Our boutique-sized firm brings a social and environmental consciousness to each project with the goal of changing communities and inspiring growth. For more information visit:
