## Child Protection Policy

Every person desiring to volunteer with UrbanPlan must familiarize himself or herself with ULI's Child Protection Policy and all volunteers will be held to the requirements laid out in the Policy and agree to it by signing the form provided. You will receive training on this matter during your UrbanPlan Volunteer Training and annually once you become a volunteer. If deemed necessary, ULI will complete a background check on any individual desiring to volunteer with UrbanPlan.

Upon completion of this application, if necessary, a personal interview may be scheduled with an UrbanPlan representative to discuss the written application and suitability for a volunteer position. Applicants who have completed an interview and reference check will not be subject to a mandatory criminal background check. However, volunteers shall be subject to a background check at any time if determined necessary by ULI in order for us to best protect our students. By signing the attached Child Protection Policy, you consent to give ULI the authority to conduct such a check.
