Get Involved with ULI in Baltimore

ULI Members are leading the future of development in Baltimore and worldwide. Through our members' dedication to the mission and our shared expertise, ULI sets the standards of excellence in development.

ULI's mission is to shape the future of the built environment for transformative impact in communities worldwide.

Connect

Bringing together leaders from across the fields of real estate and land use policy to foster collaboration within and beyond ULI's membership

Networking

meet and build relationships with real estate and land use professionals from across the region

Volunteer

hosted by the Young Leaders Group, volunteer opportunities are open to members who want hands-on activities to improve neighborhoods

Committee Involvement

ULI is member-led and volunteer-driven – join one of our committees to lead ULI's work in Baltimore

Member Directory

the ULI Member Directory is like LinkedIn for ULI, global in reach and deep in connections

Navigator

hosted online, this digital platform connects members to ULI's leadership opportunities

Inspire

Exploring issues and sharing knowledge around urbanization, conservation, land use, capital formation, regeneration, and equitable development

Quarterly Programs

thought-provoking, forward-looking public programs around local and national development topics

Partnership Forum

group mentoring sessions with the region's real estate leaders, past, present, and future

Content before Cocktails

advancing the careers of women through the career and life lessons of industry leaders

Knowledge Finder

digital platform for members that hosts case studies, white papers, and event resources

Lead

Working to advance best practices in real estate, build land use knowledge, and increase development capacity in both classrooms and communities – all to raise up Baltimore

Technical Assistance Programs (TAPs)

ULI's one-day Panels provide advice to municipalities and nonprofits facing a land use challenge

UrbanPlan for College/University

project-based development curriculum designed to inform our region's next generation of leaders

Diversity, Equity and Inclusion (DEI)

building capacity in real estate development for women and people of color

Women's Leadership Initiative (WLI)

aiming to increase the number of women leaders in the real estate industry through networking and mentoring
