What if we amplified BOTH **education** and **housing** outcomes by working together?

DHCD works to help rehabilitate homes

Schools identify students in need of housing intervention

THE THEORY OF ACTION

If we provide long-term affordable housing with intensive, case management services, then we will improve the lifetime prospects for the low-income children and families who participate in the program, as well as the stability of the school.

INTENDED OUTCOMES

MANAGEMENT OUTCOMES

- + Improve school to housing linkage

PROGRAMMATIC OUTCOMES

- + Improve economic mobility
- + Buffer against the effects of toxic stress for children
- + Reduce student mobility
- + Improve attendance rates
- + Improve block revitalization

EXPLORATORY RESEARCH

- + Improve academic achievement
