

ULI Baltimore Young Leaders 2024 Partnership Forum

“8-month long mentoring program built to foster an exchange of professional ideas, friendship, and expertise among young real estate professionals and industry veterans.”

This program matches Baltimore District Council Young Leaders (members under 35 years of age) with experienced real estate industry professionals who provide guidance, support, and thought leadership in an atmosphere of confidentiality and respect. The program also benefits our ULI Mentors who will have an opportunity to strengthen their ties with the future leaders of the local real estate community and the Urban Land Institute Baltimore District Council.

The Partnership Forum is comprised of small groups of Young Leaders that meet several times during the year for career discussions, project tours and social events. Each event will promote a greater understanding of real estate development, professional network growth, and relationship building. The program will culminate with group presentations of a Mock RFP (Request for Proposal) to a prospective client. Each group has a Coordinator, also Young Leaders who were participants in the previous year's program, that will assist the Mentors in scheduling and organizing events with you, the Mentee.

Partnership Forum sample events and activities:

- **In Person & Virtual Seminars** on industry topics:
