

Young Professionals Panel and Network, Hosted Jointly by ABC, AIA & ULI Baltimore

October 29 @ 3:00 pm - 6:00 pm

\$35.00

Join ABC Greater Baltimore Young Leaders, AIA Baltimore Emerging Professionals & ULI Baltimore Young Leaders as we explore the trials & successes of the development & construction of a Baltimore icon, [The Lexington Market](#).

Completed in 2023, this project was a complete re-build of one of Baltimore's favorite marketplaces. The market is a 60,000 square foot space showcasing 45+ merchants serving as a connector of Lexington Street to the rest of the city.

Please join this panel featuring the project's developer, architect, and general contractor as we dive into how this iconic project came to life. This explorative panel will be a great outlook of the design & construction process from start to finish for all in the AEC industry, especially those that are new & emerging professionals, so we encourage everyone to join us!
