### **Position: Volunteer Opportunity – Catalyst Board of Directors**

Catalyst Community Developments Society (Catalyst) - [www.catalystcommdev.org](http://www.catalystcommdev.org), a not-for-profit developer, owner, operator with 1100+ affordable rental homes and 90,000 sq. ft. of community space currently in various stages of development across BC, is seeking individuals interested in joining its Board of Directors.

The Catalyst Board of Directors is a fully functioning governing body. Its role is fiduciary and includes a wide range of responsibilities typically associated with a governing body – strategic planning, risk management, organizational and management capacity, internal control, ethics and values, and communications with stakeholders.

The Board has the responsibility to oversee the conduct of the business of the Society and to supervise the President, who is responsible for the day-to-day conduct of the business of the Society. The Board, through the President, sets the standards of conduct for the business of the Society.

The Board currently has six members and is targeting one more.

Meetings are held approximately four times a year, typically in the afternoon/early-evening at Catalyst's office in Vancouver. In addition to these meetings, decision-specific conference calls are sometimes convened to deal with specific issues that arise between meetings.

This volunteer, part-time advisory role would suit an individual with a strong background in real estate development, and a particular focus on multi-unit residential projects. If interested in applying for this position, please email your CV and a covering letter to [maura@catalystcommdev.org](mailto:maura@catalystcommdev.org).
