# EMERGING TRENDS **Cascadia**disrupted

## PROGRAM

**Thursday, November 12th**

### **PLENARY I: Emerging Trends Economic Forecast with PwC**

**7:30am - 8:30am**

Where does the Pacific North West stand in 2021? Andrew Warren, Director, Real Estate Research with PwC will share insights from Emerging Trends in Real Estate® 2021 Report—a publication from PwC and ULI—highlighting real estate across the Pacific North West (Vancouver, Seattle & Portland).

### **PLENARY II: View From the Top: Local Business Leaders on Trends**

**8:30am - 10:00am**

A panel of local and national experts from across the Pacific North West (Vancouver, Seattle & Portland) will examine the national real estate forecast for 2021, as well as the outlook for the overall Cascadia region.

### **Linking Livable Cascadia: Leveraging High-Speed Rail**

**12:30pm - 1:30pm**

\* Presentation of the Cascadia Innovation Corridor's vision for a sustainable megaregion \* Update on WDOT's feasibility studies for high speed rail between Vancouver BC and Portland OR \* Business perspectives on what is needed for support employment growth in the Cascadia mega region
