Today, ULI has more than 45,000 members in over 80 countries.

Our Commitment

Connection. We offer high-level professional networking that connects a diverse array of industry leaders throughout the year.

Convening leaders and decision makers. Leaders and decision makers come together from the public and private sector to move ULI BC's agenda forward.

Sharing best practices. We share best practices with the trusted networks of our members and explore the most important issues impacting land use today.

Leadership and mentoring. We have many opportunities through our Young Leaders Group for rising industry professionals under 35, and the Women's Leadership Initiative, which will raise the visibility and number of women leaders in ULI and the rest estate industry.

Why We Do It: ULI BC's Mission

Our mission is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide.

ULI BC is a non-profit organization bringing together multi-disciplinary professionals with a range of experiences and expertise. We offer non-partisan, unbiased content that lends itself to be the leading organization in the region dedicated to excellence in city building.

Through thought leadership, developing the leaders of tomorrow, leveraging ULI’s global network, and being fully engaged in our communities, we are committed to tackling the greatest urban challenges we face as cities, regions, a province, and the country.
About ULI BC

How We Do It

**Women's Leadership Initiative.** The mission of WLI BC is to raise the visibility and proportion of women leaders in ULI and the real estate industry. These objectives are achieved through programming and communication that is relevant to the local context and by drawing on the global resources available through ULI.

**Young Leaders Group.** The ULI BC Young Leaders Group (YLG) creates opportunities for tomorrow's industry leaders with networking and professional development opportunities by offering custom-tailored programs and events designed to maximize interaction between both peers and senior leaders. YLG seeks to develop skills and build relationships that will help advance our members careers and foster an understanding of thoughtful development and land use practices, while encouraging them to expand their networks and broaden their horizons.

**Cascadia Regional Conference.** The YLG Cascadia Regional Conference brings experts from across the Cascadia region (British Columbia, Washington and Oregon) as well as from across Canada and the United States to address the most current topics in real estate. Held in Vancouver, Seattle and Portland on a rotating basis, the purpose of the conference is to bring together attendees and speakers from the Cascadia region to explore how our regional identities overlap or differ. The Cascadia Conference brings together nearly 200 ULI Members each Summer, and provides attendees and sponsors alike to receive unique exposure to the Northwest markets.

Enhance your organization's value in the community through knowledge, networking and recognition.
