

## DEVELOPMENT MANAGER

Job ID: 4729

REGULAR/FULL-TIME

Location: BURNABY, BC

**To be considered for this role, applications MUST be submitted online, by clicking on 'Apply' below.**

- Join one of BC's Top Employers!
- Be part of an exceptional company culture with great employee benefits and a healthy work/life balance!

**BC Housing thanks all applicants for their interest; only those selected for an interview will be contacted. This position is only open to those legally entitled to work in Canada.**

### THE ORGANIZATION

BC Housing is a provincial Crown Corporation that develops, manages and administers a wide range of subsidized housing options for those most in need across the province to address critical gaps across the housing continuum ranging from emergency shelter through to rent assistance in the private market and affordable home ownership. *Share in the rewards of working with an organization that offers challenging work and competitive compensation and supports the growth and development of its people.*

**Our mission** is making a difference in people's lives and communities through safe, affordable and quality housing.

BC Housing offers competitive salaries and an excellent benefits package. But a job is more than a pay cheque. We also offer our staff the opportunity to work together to make a difference. When employees go home at the end of the day, they experience the satisfaction of knowing they've helped

provide safe, affordable housing for British Columbians. And while they're here, employees can take advantage of many opportunities:

- In-house training, and training at other institutions, for courses related to employees' current positions or to prepare them for advancement within BC Housing.
- Wellness programs including physical fitness, programs to help employees quit smoking, free flu shots, mental health resources, and lunch-and-learn lectures and seminars.
- Recognition programs including long-term service awards, idea recognition and outstanding performance awards.
- Livegreen incentives include an employee transit pass program, and other initiatives that encourage alternative, sustainable transportation (even a bike purchase program!).
- An active Social Club that organizes special events like seasonal parties and arranges group discounts to other events.
- Participation in community and charitable events.

\*\* Please note: Eligibility for benefits offered is based on employment status \*\*

### **DEVELOPMENT MANAGER:**

(\$84,795.00 to \$99,759.00 annually)

### **POSITION SUMMARY**

The Development Manager is responsible for the initiation, planning, design, risk assessment and delivery of a portfolio of complex and diverse social, affordable and mixed market housing, group home and specialized facility developments/projects through all project development phases, from initiation through to warranty inspection and occupancy. He/she/they provides project leadership and coordination to a project team and works collaboratively with project sponsors and partners, including societies, private sector developers, consultants, industry specialists, contractors, government ministries, municipality officials, Health Authorities, First Nations and various agencies in achieving project objectives. Specific responsibilities vary depending on the role BC Housing is playing in each project, whether as a funding/delivery agency and lender (for social housing projects where the Society has a development consultant) or as project manager and lender for directly delivered projects. The position is accountable for ensuring that all due diligence requirements have been considered and completed, and that the various funding and finance models abide by Provincial fiduciary requirements.

### **CANDIDATE PROFILE**

**The successful candidate will have the following:**

### **EDUCATION & EXPERIENCE:**

- University degree in business administration, project management, land use planning, or real estate development and financing or a related field

- Considerable project management experience relating to the development of multi-unit residential housing, including the non-profit sector market, as well as experience negotiating contracts, municipal land use entitlements and real estate issues, and partnership agreements.
- Or an equivalent combination of education, training and experience acceptable to the Employer.

#### **KNOWLEDGE, SKILLS AND ABILITIES:**

- Considerable knowledge and understanding of project management philosophies, theories and principles, including project scoping, budget development/financial management, scheduling, tendering, quality assurance, risk management and project team coordination
- Considerable knowledge and understanding of real estate property development and construction, and related business concepts, processes and practices
- Considerable knowledge of municipal planning; public consultation processes; design, development and delivery processes; project tendering and construction processes; and warranty, handover and operational processes related to real estate development and construction
- Working knowledge and understanding of BC Housing's housing programs, and development and lending policies specifically relating to the development of social housing
- Good planning, organizational and time management skills in a complex and fast-paced environment with defined timelines
- Strong negotiation, facilitation, influencing, persuasion, conflict resolution and consensus building skills
- Good interpersonal, project leadership and team building skills
- Excellent oral and written communication and presentation skills
- Proficient computer skills including use of relevant business applications, particularly complex spreadsheet, scheduling management and project management software
- Ability to coordinate planning, design development, construction and due diligence activities within a regulatory framework for a range of projects, and balance diverse interests, risks and benefits in achieving project objectives
- Ability to analyze and solve complex and challenging issues, strategize options, form solutions, mitigate risks and make effective decisions, using a high degree of judgment and business acumen
- Ability to develop, influence and manage collaborative and mutually beneficial relationships with stakeholders/ partners, interest groups and public
- Ability to prepare detailed and complex reports on real estate property and planning, design, development and construction matters
- Ability to communicate ideas and issues with a broad range of audiences, including industry professionals, clients, partners and stakeholders, where there may be diverging stakeholder objectives and opinions
- Ability to work effectively in a team environment
- Ability to travel
- Valid BC Driver's License and access to a reliable vehicle.

As part of our commitment to maintaining safe and healthy spaces, BC Housing has introduced an interim mandatory vaccination program for all employees. We require proof of being fully vaccinated against COVID-19 as a condition of employment. Individuals who cannot be vaccinated for reasons related to a protected ground under human rights law (such as medical issues or sincerely held religious beliefs) may request an accommodation. Upon receiving a request, we may request additional information to determine whether the applicant can be accommodated in the desired role without undue hardship.

- Due to the nature of this role, a **valid class 5 driver's license** and satisfactory driving record is required.
- Due to the nature of this role, access to a reliable vehicle will be required

#### **How to Apply:**
