

Regional Sponsorship

Networking. Increased Visibility.
Leadership Development. Education.

Regions have become the most important geographies in the global economy. Cities and counties have political boundaries but no economic boundaries. North and South Carolina have tremendous regional assets—natural, cultural, economic and social. Investing as a new Regional Sponsor and receiving benefits in three ULI District Councils is a phenomenal opportunity to break down the perceived barriers of borders. Multiply your benefits of sponsorship by more than three as a Regional Sponsor.

Additional Benefits

By committing as a Regional Sponsor at any of the top five levels, you will become a sponsor in ULI Charlotte, ULI South Carolina and ULI Triangle. Individualized benefits through each District Council are available based on the level of commitment, plus you will receive a 10% discount.

- Gain critical exposure at 100+ programs region-wide—attracting more than 800 unique attendees.
- Position your company on the desktop of over 2,000 members and 11,000 prospective members.
- Make an investment that will impact your region and become a pioneer.
- Participate in regional leadership opportunities.
- Receive recognition at all District Council events.

How it Works

Simplify your sponsorship commitment with a single point of contact. One centralized District Council representative will assist you in selecting the right level of sponsorship for your organization, one annual invoice, and one commit form. The District Council staff will coordinate with your organization's key contact for local administration of benefits (complimentary memberships, registrations, and recognition). Commit as a Regional Sponsor and receive a 10% discount.

Keep in mind, each District Council offers a unique menu of benefits, leadership structure and program offerings.
