

I would like to thank everyone involved with the ULI Etkin Scholars program. I am so grateful for being selected this year for the Charlotte cohort. I have met some amazing people especially during the events. Becoming an Etkin Scholar has sparked my interest and passions. I knew I wanted a career in CRE, but now I am 100% sure I am on the right path to becoming a real estate developer. I have learned so much, and I cannot wait to continue my professional journal as an ULI member and future community development expert.
