

**Tobe Holmes** joined WithersRavenel's Charlotte office in 2023, where he leads efforts to expand the firm's multidisciplinary engineering, planning, and surveying services across western North Carolina. From the Queen City, he focuses on cultivating strategic partnerships, attracting top-tier regional talent, and delivering customized solutions that reflect WithersRavenel's hallmark of excellence in service and communication.

Tobe brings extensive experience in land use, economic development, and transportation planning through prior leadership roles at University City Partners and Charlotte Center City Partners. In these positions, he played a key role in shaping district-level visions and resolving entitlement and permitting challenges.

He holds a Master's degree in City and Regional Planning from Clemson University and is a certified planner through the American Institute of Certified Planners (AICP). A graduate of Leadership Charlotte, Tobe remains deeply engaged in the community through service on the ACE Mentor Program Board, the Catawba Lands Conservancy Land Acquisition Committee, and the Urban Land Institute's Program Committee.
