

Nathan Daniel

LS3P

Principal Nathan Daniel serves as the Charlotte Office Leader. He excels in developing and maintaining long, productive relationships with clients. He is responsible for the design of the overall project vision in multiple project sectors, including corporate commercial, faith, hospitality, and mixed-use developments.

Nathan's role is one of leadership and guidance, leading the project team from visioning through project completion. He is also a mediator, helping to foster trust and respect between the stakeholders.
