Mike Moore

Vice President, Construction

Pappas Properties

Mike is responsible for the construction management of new construction projects, capital improvements, and tenant upfits at all properties. Mike has successfully managed over $100 million in construction projects at Sharon Square, Berewick Town Center, and Midtown for Pappas Properties; with Cadia Village Matthews and Cadia Village Mooresville in progress. With over 17 years of experience, he has managed a breadth of project types in various Commercial market sectors, across 20 states. Prior to joining Pappas Properties, Mike served as Vice President of Business Development for Concorde Construction, Director of Post-Construction for Campus Crest Communities, and Vice President for Salem Services Group. Mike received his Bachelor of Science in Business Administration from the University of Tennessee while playing varsity baseball all four years.
