

Cincinnati

The Urban Land Institute is the oldest and largest network of cross-disciplinary real estate and land use experts in the world. ULI is its members. Through our members' dedication to the mission and their shared expertise, the Institute has been able to set standards of excellence in development practice.

“ULI Cincinnati has a history of doing great things for our region, and we want to keep the momentum going. Sponsors are critical to making this happen. A sponsorship at ULI gives you more than just getting your name in front of real estate leaders in our region at every ULI event. Your support funds tangible efforts to solve real-world problems, educate the industry and the next generation, cultivate professional leadership, and uplift our communities.”
