Professional Development Program: Partnership Forum

Partnership Forum Young Leaders Group (YLG)

Support the current and future generations of young leaders in real estate!

Partnership Forum is a 6-month mentoring program for ULI Young Leaders under 35, organized and managed by our Young Leaders Group. The committee selects and invites an elite group of senior real estate professionals who are ULI members to serve as moderators with a specific focus on real estate and development. ULI Colorado's goal is to create diverse groups that are representative of the many facets of the real estate industry.

Participants receive the opportunity to network and learn through monthly forums with these senior real estate professionals while topics consist of land use issues, career development, and projects discussed in a confidential setting.
