ULI Colorado 2025 Summer Party

August 21, 2025 | 3:30PM-7:00PM | Vectra Bank

Bellevue Station – Walkable, Livable, Masterfully Planned: Creating New Mixed-Use Urban Centers

Join us for an unforgettable summer afternoon celebrating the vibrant essence of Bellevue Station, a new, mixed-use urban center along Denver's I-25 light rail lines. This master plan was driven by a unique opportunity to develop 17.5 acres with excellent access to the Denver Region via public transportation and freeways. Bellevue Station is a case study in the urban design strategies that promote interaction between people and their environment at an urban and pedestrian scale.

Following the tours, we'll gather at Vectra Bank's new Corporate Center for the summer party reception. This is a perfect opportunity to connect, celebrate, and envision the continued growth of the area.
