## SUPPORT

### Breaking the Glass Ceiling (BGC)

Show your support for, participate in, and lead the current and future generation of *women in real estate!*

**Breaking the Glass Ceiling (BGC)** is a professional development and mentor program tailored for women in real estate and related land-use professions seeking to advance their careers and development by working one-on-one with senior leaders in the field. The program is led by the Women's Leadership Initiative (WLI) committee and matches female ULI members with industry executives, female and male, for mentorship in career advancement and leadership.

This is a six-month program from June to November, that builds relationships and offers training to lead to further career satisfaction and success in the real estate and land use fields. Your moment is now to support this program and WLI's mission!
