ABOUT US

The Urban Land Institute is a global nonprofit education and research institute dedicated to providing leadership in the responsible use of land and in creating and sustaining thriving communities. Since 1936, ULI has been a source for best practices and impartial information, and a forum in which real estate industry leaders can share ideas, experiences, and best practices.

ULI members represent the entire spectrum of land use and real estate development disciplines working in private enterprise and public service. They benefit from and contribute to a body of knowledge and a global network that shape every aspect of the built environment.

In addition, we have developed the following guideposts that help define our scope:

• Focused on Central Indiana and other Indiana metropolitan areas.
• Neither urban nor suburban centric, but both.
• A professional association catering to practitioners
• A thought leader and curator of best practices (not an implementer).

ABOUT ULI INDIANA

ULI Indiana was founded in 2007, has over 350 members, and is supported by over 45 corporate and philanthropic sponsors.

There’s an adage that “all real estate is local,” and ULI’s role in a District Council is influenced by local market factors as well.

Since 2015, our District Council leadership has operated under the shared vision: “Indiana - Great Place to Live, Great Place to Invest.”
MEMBERSHIP MATTERS

Whether you’ve been a member for decades or you still haven’t joined, here are some reasons why ULI membership matters.

YOUR MEMBERSHIP MATTERS TO US

ULI is in many ways a club, and a club is defined by its members. You make us better.

More members = more chances for members and sponsors to make the connections they need for their careers and businesses to thrive.

More members = more volunteer capacity to execute our programs, and a better pipeline of future ULI leaders.

While membership dues have a relatively small impact on our local finances (only about 20% of your dues are passed through to ULI Indiana), we appreciate every dollar, especially this year!

MEMBERSHIP MATTERS FOR YOU

Connections matter, and ULI membership is the key to accessing our 45,000 members worldwide. Plus ULI is the only organization whose members span the full breadth of the industry, from developers and designers to financiers and public officials.

ULI keeps you informed through our live and virtual events, publications and local updates. We aim to curate the most important and relevant insights and experiences that you can’t get anywhere else.

ULI may be a global organization but we’re making local impacts. ULI supports cities and communities through knowledge-sharing and through our renowned Advisory Services and innovative training programs like UrbanPlan and the Real Estate Diversity Initiative.

Be seen as a leader and develop leadership skills through speaking engagements, committee work and leadership roles.

Produced by ULI Indiana, 10/2020
ULI’s promise is to Connect, Inspire and Lead.

**CONNECT**

1:1
We’re here to help each other

**SMALL GROUPS**
Smaller in-person events for groups of 25 or less
Chances to connect virtually

**LARGE EVENTS**
Statewide, multistate and global connections

Many members have found great value in connecting with like-minded people through ULI, our exclusive national Product Councils, and member affinity groups like the Young Leaders Group and Women’s Leadership Initiative.

We are committed to expanding ULI’s “big tent” of cross-disciplinary professionals so you can meet more people who aren’t like you. We have a goal to increase the diversity of our members and leadership and it’s up to all of us to refer new members and help them feel welcome.

**INSPIRE**

Inspiration is the “a-ha” moment of achieving a new insight or sees future possibilities.

ULI accelerates inspiration through:

**EXPERIENCES**
ULI productions like project tours, live or virtual conferences, and classes
Member-guided activities like a coffee meeting, independent research or walking tour

**INFORMATION**
Important, relevant, actionable, and valuable

**STORIES**
People and projects provide lessons learned; what can we replicate?

**LEAD**

ULI and its members are at the forefront of new ideas, applying creativity to develop the newest and best practices for land use and development.

We proactively communicate and promote those ideas to benefit not just our members, but the community at-large.

ULI also leads when we focus clearly on what only ULI can offer, and only ULI can offer all of this.

**GENERALLY**
Cross-disciplinary connections
Connections to specific members
Connections to strong global content and research centers
Connections to the global network of ULI district councils and product councils

**LOCALLY**
A focus on local people, projects, and policies

**GLOBALLY**
Research-based, replicable best practices
Niche topics of limited local interest

LOOKING BACK

NATIONAL SPEAKERS | In the first quarter of 2020, we welcomed five national experts to ULI Indiana through our Real Estate Trends and Breakfast Series events.

REAL ESTATE DIVERSITY INITIATIVE | ULI Indiana adapted and implemented this 15-week course to prepare more women and people of color for careers in real estate development. We engaged over 40 volunteers and graduated 10 scholars after transitioning from live to virtual classes.

VIRTUAL EVENTS | From March through September, ULI Indiana produced 17 virtual events that engaged 629 registrants (90/month). Highlights included:
- Online Breakfast Series Events
- NEW Insights for Insiders, a free, members-only benefit
- NEW Armchair Tours to expand knowledge about and across Indiana cities
- An interview with Penske Entertainment’s John Lewis, a fundraiser that also engaged six new sponsors

WOMEN’S LEADERSHIP INTIATIVE | The WLI successfully leveraged the benefits of virtual communication to facilitate difficult conversations and deliver impactful regional programming.

IN-PERSON EVENTS | As restrictions lifted in late summer, ULI Indiana was able to host three in-person events, a model likely to continue:
- August 5—REDI Graduation Celebration
- August 13—Young Leaders Bike Tour
- September 9—ULI On Location at Hotel Carmichael

LOOKING FORWARD

The next several months will look much like the past. In addition, we’re increasing effort towards two programs with potential to make a meaningful impact on Indiana.

URBANPLAN | An interactive exercise about the development process including complex tradeoffs and economics. ULI Indiana plans to offer UrbanPlan for:
- Communities | One-day in-person or virtual workshops to community leaders like public officials and neighborhood representatives. Participants gain better understanding of developers’ perspectives and the challenge of creating a development plan that works for all.
- Universities | University students—future members of our industry and community—gain these same perspectives when UrbanPlan is incorporated into an existing course. This semester, we’re bringing UrbanPlan to Ball State’s Introduction to Urban Planning class, reaching almost 100 students!

TECHNICAL ADVISORY PANELS | Advisory Services have been a mainstay of ULI since 1947. In Indiana, there have been five national and seven local panels since 2008, but we want to do more! Panels allow ULI and our members to leverage our shared knowledge and creativity to solve real community problems.

How can you help?
- Participation
- Referrals
- Leadership
- Financial Support

Produced by ULI Indiana, 10/2020
In the current fiscal year, ULI Indiana will receive less than $30,000 from your membership dues, while owing over $20,000 back to ULI for various cost allocations.

To keep our programs going, it’s vital for us to generate other revenue, such as:

**SPONSORSHIPS** | We count on corporate sponsorships for the majority of our finances—over the last four years, sponsorship revenue has averaged 60% of total revenue.

**INDIVIDUAL GIVING** | NEW in FY21, you can make individual and corporate gifts to ULI Indiana via the ULI Foundation, and get full tax benefits!

**FEE-FOR-SERVICE PROGRAMS** | Like many other non-profits, ULI hopes to expand our revenue by leveraging our expertise.

Examples:
- Hire us to complete a Technical Advisory Panel (TAP) in your community.
- Hire us to run an UrbanPlan community workshop for your constituents.

You’ll get access to these popular ULI products, our cross-disciplinary membership base, and individual member expertise for a fraction of the cost of any private service provider.

**REGISTRATION FEES** | It’s hard to charge for virtual content, but due to the challenges we’re facing, this may become necessary. In recent years, registration fees have accounted for an average of 14% of our total revenue.
IMPACT | ULI is a member organization, but ULI Indiana only receives about 20% of Indiana members’ dues. This makes sponsorship essential to meeting our financial needs.

Sponsorship dollars allow us to offer more programs and make a meaningful impact on our region. And 100% of sponsorship dollars are retained here at the Indiana District Council.

EXPOSURE | Sponsorship promotes your organization to key stakeholders and provides opportunities for one-on-one connections. Annually your brand may reach:
• 30 local events
• 45 sponsor organizations
• 350 members
• 1,200 event registrants
• 2,200 professional contact list
• 100,000 emails

VALUE | For the same price as buying a table at some local events, you can sponsor ULI Indiana for a full year.

And your sponsorship dollars are tax deductible (minus the cost of goods and services provided.)

Interested in tax benefits and impact more than brand exposure? Ask us about opportunities for corporate giving through the ULI Foundation.
