ULI Member Support Fund

Organizations and individuals throughout the industry have been impacted by the COVID-19 pandemic. Through these difficult times, we will protect and strengthen our network while allowing our community to support one another. Our ULI Member Support Fund will allow firms to support the cost of ULI individuals affected. **If all renewing sponsors increased their contribution by 15%**, we could support 50 members with an Associate Membership and activities (event registrations, Local Product Council fees, etc.).
