- **Explore the *Knowledge Finder* to see all the member-generated content you now have access to!** You'll find case studies, research, and much more.
- **Use *Navigator* to view both local and national volunteer and leadership opportunities**

ENGAGE + VOLUNTEER

THIS MONTH - Each local ULI chapter is made up of councils and committees, which are small, interdisciplinary groups that meet to learn about topics, tour projects, explore issues and network. Getting involved in a council, committee, or volunteer opportunity is the best way to connect with other members and make the most of your membership! **Review our current councils, committees, and volunteer opportunities to find one that best fits your interests and skill set!**

Unsure of what the best fit is for you? Check out [this tool](#) that helps you find the right opportunity.
