

# URBAN RESILIENCE FORUM

SEPTEMBER 24, 2026 | THE LIBERTY VIEW AT INDEPENDENCE VISITOR CENTER

**AIA Philadelphia, Green Building United, Preservation Alliance and ULI Philadelphia** present the fourth annual Urban Resilience Forum. The Urban Resilience Forum will bring together over 100 practitioners from across the real estate industry to share and learn best practices for a more resilient and sustainable Philadelphia. As Philadelphia looks toward the next 250 years and prepares to welcome the world in 2026, the Urban Resilience Forum asks what it means to build buildings, neighborhoods, and systems that continue to serve communities long after the celebration, under changing climate and resource conditions.
