## ENGAGE WITH ULI/SA MEMBERS

Local Member Councils are designed to engage members based on their expertise and passion within the land use industry. ULI/SA LMCs are member-driven and led by co-chairs. Each council determines its program content, guest speakers, and meeting schedule. Takeaways will be shared at a ULI/SA Local Member Council PechaKucha on the Patio at the Tobin Center on May 6, 2021.

ULI San Antonio is launching six Local Member Councils for 2020-21:

1. **Housing** - Co-Chairs: Thad Rutherford/Southstar Communities & Jim Bruner/KaiRoi Residential
2. **Mobility** - Chair: Taylor Dawson/Pape-Dawson
3. **Neighborhood Development** - Co-Chairs: Peter French/GrayStreet Partners & Chris Lazaro/COSA
4. **Office/Economic Development** - Co-Chairs: John Taylor/JLL & John Beauchamp/Hixon Properties
5. **Public Spaces/Placemaking** - Co-Chairs: Corrina Green/UTSA & Elaine Kearney/TBG Partners
6. **Urban Core** - Co-Chairs: Gene Williams/CBRE & Brian Uhrich/DBR, Inc.

---

“ Through the exchange of information and the sharing of best practices, Council meetings offer industry leaders vital opportunities to further ULI’s mission.”

## APPLICATIONS OPEN NOW THROUGH OCTOBER 9TH on the ULI/SA website

The application process is designed to ensure an engaging experience that includes diverse, multi-disciplinary perspectives on each Local Member Council. You must be a current ULI member to participate.
