

UPDATE YOUR MEMBER PROFILE TODAY

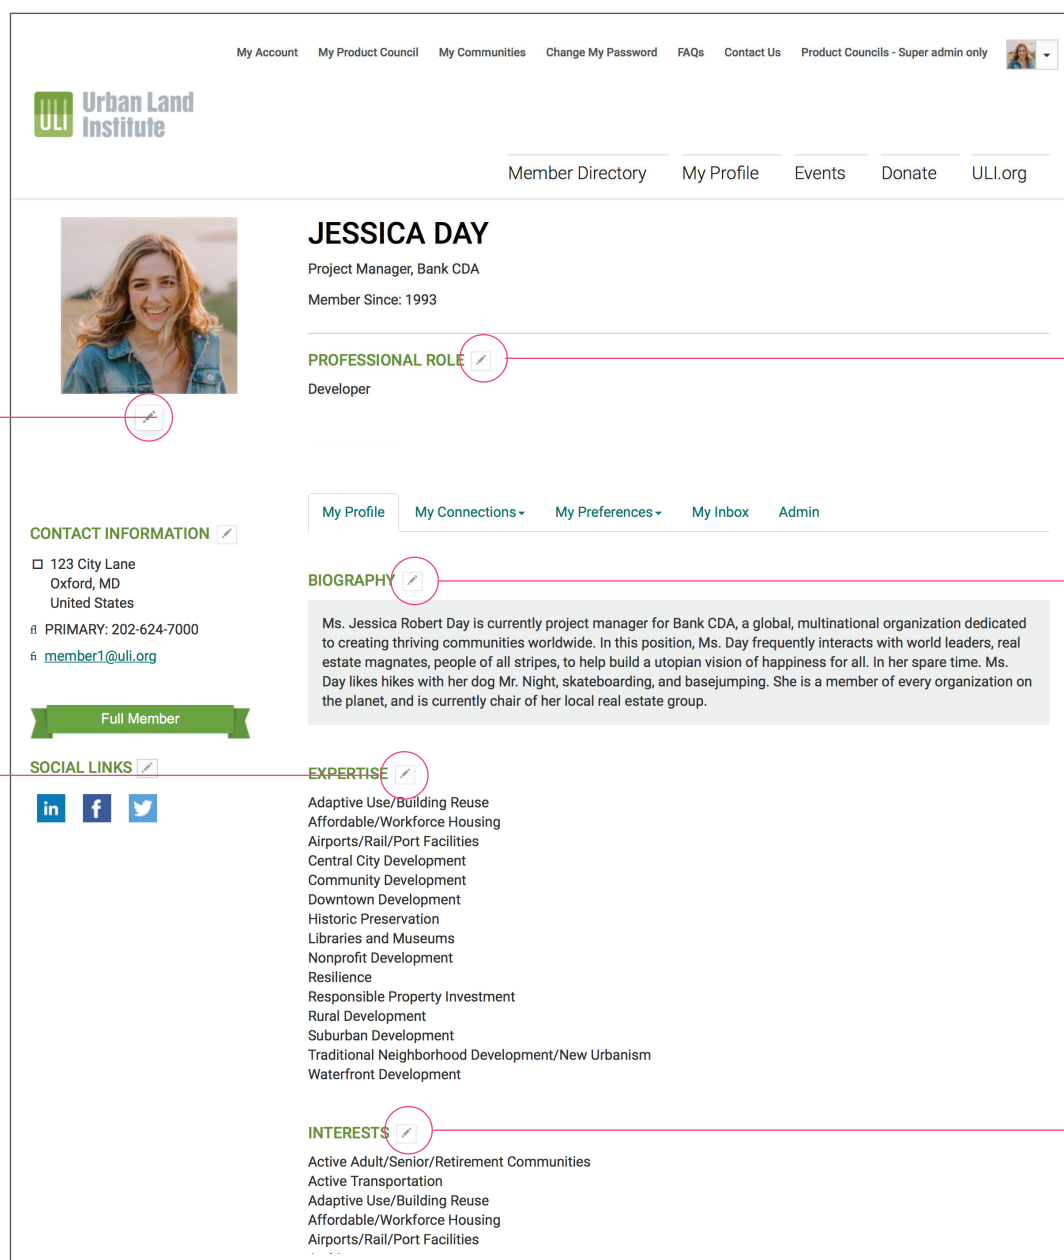

members.uli.org

Your member profile is more than just your contact information—it also lets you add a photograph, professional expertise, interests, job history, education, and social media accounts, all of which searchable in the Advanced Search in Member Directory.

Ensure your profile is up-to-date by signing into your profile today. Remember, more information improves your chances of making strong connections with members around the world.

SIGN IN TO YOUR ULI ACCOUNT

PHOTO

Upload your latest photograph to increase your visibility with other members. Ensure your portrait is resized to 250x250 pixels and is less than 1 MB.

EXPERTISE

Select all applicable areas of your expertise. Identifying your areas of expertise makes it easier for both members and ULI programs to find and engage with you.

PROFESSIONAL ROLE

Select a professional role that best represents your occupation to identify the role you play within ULI's multidisciplinary network.

BIOGRAPHY

Include a summary statement that shares information about yourself, including your work life and interests to help break the ice with fellow members.

INTERESTS

Select all applicable areas of your expertise. Identifying your areas of expertise makes it easier for both members and ULI programs to find and engage with you.
