

# St. Louis

ULI Members are leading the future of development in St. Louis and worldwide. Through our members' dedication to the mission and our shared expertise, ULI sets the standards of excellence in development.

*ULI's mission is to shape the future of the built environment for transformative impact in communities worldwide.*

## Get Involved with ULI in St. Louis

### Connect

Bringing together leaders from across the fields of real estate and land use policy to foster collaboration within and beyond ULI's membership

#### Networking Receptions

meet and build relationships with real estate and land use professionals from across the region

#### Breakfast Club & Happy Hours

hosted by the Young Leaders Group, happy hours are open to members and the general public

#### Committee Involvement

ULI is member-led and volunteer-driven – join one of our committees to lead ULI's work in St. Louis

#### Member Directory

the ULI Member Directory is like LinkedIn for ULI, global in reach and deep in connections

#### Navigator

hosted online, this digital platform connects members to ULI's leadership opportunities

### Inspire

Exploring issues and sharing knowledge around urbanization, conservation, land use, capital formation, regeneration, and equitable development

#### Events & Tours

thought-provoking, forward-looking public events and tours around local and national development topics

#### Cocktails & Conversations

advancing the careers of women through the career and life lessons of industry leaders

#### Emerging Trends

annual industry-leading report unveiling critical data and trends in the real estate sector

#### Knowledge Finder

digital platform for members that hosts case studies, white papers, and event resources

### Lead

Working to advance best practices in real estate, build land use knowledge, and increase development capacity in both classrooms and communities – all to raise up St. Louis

#### Technical Assistance Program (TAP)

ULI's one-day Panels provide advice to municipalities and nonprofits facing a land use challenge

#### UrbanPlan for High Schools

project-based development curriculum designed to inform our region's next generation of leaders

#### UrbanPlan for Community

one-day real estate development workshops for public officials and neighborhood leaders

#### Real Estate Diversity Initiative (REDI)

capacity-building real estate development curriculum for women and people of color

#### Economic Development Course

8-week, 24 hr credit UMSL Chancellor's Certificate course in economic development hosted by ULI

## purpose

Inform and support land use policy  
initiatives, and liaise with policy  
initiatives.

Share and promote the mission, values,  
and work of ULI St. Louis across  
various media platforms. Support  
member-driven content and internal  
communications.

Promote and facilitate ULI learning  
tools. Support land use, planning, and  
development education ecosystem.  
Existing programs include Urban  
Plan, REDI, and the UMSL Economic  
Development Chancellor's Certificate  
program.

Offer impactful curated experiences for  
members and to promote membership  
growth and engagement. Develop  
member hospitality, empower  
ambassadors, promote member  
leaders, and more.

Offer focused service to the Illinois  
market; develop ULI leadership in  
Southern IL; host programming specific  
to the IL market; and promote more  
cohesion between MO and IL.

Develop and manage sponsorship  
strategy, celebrate sponsors, and  
plan flagship annual Emerging Trends  
event.

Host panels to offer objective and  
responsible advice on a wide variety of  
land use and real estate issues ranging  
from site-specific projects to public  
policy questions.

Promote advancement of women in the  
industry, increase leadership positions  
held by women in the industry,  
increase visibility of women in the  
industry, and develop young women  
members

Support YLG member leaders and  
recruit new YLG members, including  
university students.
