#### **Senior Asset Manager- Hongkong Land Project Lead – BaseHall**

Tom Andrews is a Senior Asset Manager at Hongkong Land and oversees BaseHall, the new multi-concept food hall in the Basement of Jardine House in Central, Hong Kong.

Originally from Hong Kong. Tom has been with Hongkong Land for the last 7 years, helping with asset management & investment across South Asia. He spent several years in Singapore before moving to Bangkok where he ran Hongkong Land's Thailand business and led the acquisition of the British Embassy, Thailand.

Since his return, Tom has been involved in various new projects for Hongkong Land and LANDMARK, including the launch of BaseHall - and more exciting announcements to come. He is particularly passionate about the city's F&B scene and about creating new concepts for the community at large.

Tom spent 7 years with Swire and has a BA from the University of West England and an MSc in Real Estate and Surveying from the University of Hong Kong.
