

Claire Thielke
Country Head, Hines Greater China

Ms. Thielke serves as Country Head of Hines Greater China. Prior to joining the Asia Pacific team, Claire served as Chief Operating Officer of Hines Investment Management, overseeing new product development and fund operations for the firm's 39 investment vehicles, totaling \$20B AUM. Thielke graduated Phi Beta Kappa from Stanford University in Urban Planning and holds a Masters in Construction Management from Stanford University. She earned her Eng. from Stanford's Civil Engineering Ph.D Department with a research focus on seismic data science and adaptive reuse for historic structures. She is member of Stanford University's adjunct faculty, teaching on the intersection of technology, institutional investment and real assets.
