

Yuichi Takahashi
Managing Director I Investments
Crane Capital Limited

Yuichi has over 15 years of experience in the investment space. At Crane Capital, he manages long-term growth of portfolio companies and implementation of investment strategies in Japan as well as various new markets within Asia Pacific.

Prior to joining Crane Capital, Yuichi worked for global financial institutions including Deutsche Bank, Morgan Stanley and Goldman Sachs Realty across Hong Kong, Japan, Australia, and Southeast Asia. His experience spans over private equity, special situations, structured debt as well as real estate portfolio investments.

In addition to his Pan-Asia career, Yuichi's passion for learning new culture and language has led him to live and study internationally in the USA, France, Mexico and Germany during high school and university.
