

Clement Lau

Managing Director, Professional Services, Greater China, Knight Frank

Clement oversees Planning & Land Advisory Services, Valuations & Advisory, Building Consultancy, Property Asset Management, and Research & Consultancy teams in Knight Frank Greater China. He is also in the Greater China Executive Board and contribute to the company's strategic direction.

Clement is a seasoned industry leader with an illustrious career in real estate, holding pivotal roles across both private and public sectors. His expertise extends beyond Hong Kong, covering the Chinese mainland, regional and international markets. Prior to joining Knight Frank, he served as the Director & Head of Development and Valuations, Commercial Property at Hongkong Land Limited, where he managed the commercial property portfolio, driving growth and excellence through strategic planning, operations, and market analysis. His leadership and expertise were further recognised when he was elected as President of the Royal Institution of Chartered Surveyors (RICS) in 2021-2022, a testament to his commendable achievements in the industry.
