

Ivan Ho
CEO of RealVantage Hong Kong

Ivan Ho leads the firm's Hong Kong operations. He focuses on bringing institutional standards of governance and transparency to technology-enabled real estate investing, and is currently overseeing the development of the AI-enabled platform that allows individual qualified investors to co-invest in institutional-grade real estate opportunities.

Ivan has over 20 years of cross-border real estate investment and development experience across Greater China, Japan, Singapore, Europe and the United States. He currently oversees more than 10 projects with a total value of approximately US\$1.5 billion, spanning residential, commercial, industrial logistics, cold storage, healthcare and emerging new-economy sectors.

Prior to joining RealVantage, Ivan was CEO Hong Kong at KaiLong Group, where he led USD- and GBP-denominated real estate funds and transactions across Asia and the UK. He previously held roles at Bank of China Group Investment Limited and Charoen Pokphand Group, where he was involved in the acquisition, development and management of real estate funds and projects.

Ivan graduated from Simon Fraser University in Canada with a Bachelor of Business Administration. He is a CFA charterholder and holds a Master of Laws (LLM) from The Chinese University of Hong Kong.
