

YOUR 2022 DOLLARS AT WORK

CONNECT

- Across Sectors. ULI Atlanta connected 34 leaders across the industry through [Center for Leadership's 13th Class](#).
- Through Educational Programs. Despite challenges, connected record-setting number of attendees through virtual and in-person programs, project tours, and small group gatherings.
- Through Signature Events. ULI Atlanta hosted its [26th Annual Award for Excellence program](#) recognizing [12 outstanding real estate development projects and two individuals](#) that exemplify ULI's mission to shape the future of cities, while also amplifying [ULI's three new mission commitments](#).
- By pairing seasoned industry leaders with young professionals through the [YLG Mentor program](#) to offer guidance, support, and career advice which strengthen ties with the young leaders, the local real estate community, and ULI.

INSPIRE

- Shared collective knowledge & experiences through programs, project tours, leadership workshops, and mentorship programs.
- Elevated thought leadership on key ULI mission priorities by hosting a [City of Atlanta Mayoral Forum](#); an educational panel discussion on demystifying ESG, and [emerging trends impacting Atlanta in 2022](#).
- Educated the next generation of diverse leaders through the newly established [Etkin Scholars program](#) designed to introduce college and university students with a real estate interest and degree focus to the resources available through ULI membership while integrating those students into the ULI path of learning. Continued facilitation of [UrbanPlan](#) touching over 100 students and community leaders.
- Shared and applied ULI research on infrastructure, public-private partnerships, economic trends, ESG, affordable and attainable housing, and building healthy places.

LEAD

- Created solutions that had direct community through seven impactful mTAPs projects for [Pittsburgh Yards](#), [Decide DeKalb](#), [City of Atlanta's Department of City Planning](#), [Central Atlanta Progress](#), [Tucker Northlake CID](#), [City of Decatur](#), and [Atlanta Land Trust](#).
- Provided continued leadership through the [Atlanta Community Schoolyards](#) initiative (an ongoing effort of the 10-minute walk campaign), and partnered on two Technical Assistance Panels (TAPs) with [All Saints Episcopal Church](#) and the [City of Powder Springs](#).
- Elevated diversity and inclusion to ensure we are better reflecting the communities we serve through priorities and leadership of the [Diversity, Equity & Inclusion \(DEI\) Committee](#) and the third cohort of [ULI's The Leaders](#).
- Cultivated visibility opportunities for ULI members and programs through [#MemberSpotlight](#) interviews, articles on [ULI Atlanta's blog](#) and [monthly newsletter](#), and through our standing thought leadership column with the [Saporta Report](#).
